

**Carbon Reduction Plan for**  
**Sea-Kit International**  
**July 2022**

# Carbon Emission Scopes.

## Baseline Emissions

Our baseline emissions were measured, and recorded, by Positive Planet in accordance with GHG Protocols for scopes 1,2 & 3. The inventory includes all measurable Scope 1 & 2 emissions and the following Scope 3 emissions:

Scope 3 Emissions			
Scope	Inc?	Scope	Inc?
Purchased Goods & Services	No	Distribution (downstream)	Yes
Capital Goods	No	Processing of Sold Products	No
Fuel & Energy Activities	Yes	Use of Sold Products	No
Distribution (upstream)	Yes	End-Of-Life Sold Products	No
Operational Waste	Yes	Leased Assets (downstream)	No
Business Travel	Yes	Franchises	No
Employee Commuting	Yes	Investments	No
Leased Assets (upstream)	No		

# Carbon Emission Measurement.

## Emissions

Emissions for both our base year and current year can be found below, broken out by Scope.

	Base Year - 2022	Current Year - 2022
Scope	Emissions	Emissions
Scope 1	3.885 tCO <sub>2</sub> e	3.885 tCO <sub>2</sub> e
Scope 2	0.000 tCO <sub>2</sub> e	0.000 tCO <sub>2</sub> e
Scope 3	542.075 tCO <sub>2</sub> e	542.075 tCO <sub>2</sub> e
<b>Total Emissions</b>	<b>545.960 tCO<sub>2</sub>e</b>	<b>545.960 tCO<sub>2</sub>e</b>

Measurement periods that include 2020 – 2022 will be impacted by COVID-19. This will be seen as a temporarily reduced emission and not something the business is able to continue, as a trend, or repeat.

# Carbon Reduction Targets.

## Commitment to achieving Net Zero

We are committed to achieving Net Zero by 2030 at the latest.

There are no existing carbon emission reduction targets on which to report any progress currently.

In order to progress towards Net Zero, we have initially set carbon reduction targets to 2025. During this time, we will set our targets for the remaining period to ensure we reach Net Zero by 2030, at the latest.

## Carbon Reduction Initiatives

The following environmental management measures and initiatives have already been, or are soon to be, implemented.

- Appoint Positive Planet as our sustainability partner.
- Change Main Lighting Site to LED

# Carbon Reduction Plans.

## Carbon Reduction Plans

We plan to implement further measures which will continue to drive down emissions. We are considering several initiatives and those listed below are some examples of areas we are discussing and the potential impact they may have to our emissions.

Reduction Plan		329.113 tCO <sub>2</sub> e
Activity	Target Date	tCO <sub>2</sub> e Reduction
Communicate benefit of renewable energy and EVs to all employees	2022	9.333 tCO <sub>2</sub> e
Remain on 100% renewable electricity	2023	n/a tCO <sub>2</sub> e
Consider and review use of air freight in upstream distribution	2024	14.555 tCO <sub>2</sub> e
Work with waste provider to use a zero-to-landfill scheme	2025	n.a tCO <sub>2</sub> e
Remove Kerosene heater for business operation	2025	3.885 tCO <sub>2</sub> e
Source sustainable downstream carrier for all freight	2025	301.340 tCO <sub>2</sub> e

Taking in to account the plans and initiatives that have already been implemented, and those currently being discussed and considered, we remain on track to achieve Net Zero by 2030 at the latest.

# Declaration And Sign Off.

**This Carbon Reduction Plan has been completed, with the help of Positive Planet, in accordance with PPN 06/21 and associated guidance and reporting standards for Carbon Reduction Plans.**

Emissions have been reported and recorded in accordance with the published reporting standard for Carbon Reduction Plans and the GHG Reporting Protocol corporate standard and uses the appropriate Government emission conversion factors for greenhouse gas company reporting.

Scope 1 and 2 emissions have been reported in accordance with SECR requirements, and the required subset of Scope 3 emissions have been reported in accordance with the published reporting standard for Carbon Reduction Plans and the Corporate Value Chain (Scope 3) Standard.

This Carbon Reduction Plan has been reviewed and signed off by the board of directors (or equivalent management body).
